W. CARLTON SMITH PAPERS

OK

MCHS Building

Manuscript and typewritten copy of memoirs related to the 363rd Field Hospital Company. Found in an envelope addressed to Dr. W. Carlton Smith. The presence of a handwritten manuscript suggests his authorship, the presence of an envelope addressed to him suggests perhaps otherwise.

Includes information about Camp Lewis, battlefields of France and Belgium during WWI.

Also includes publications, maps and other published materials collected by W. Carlton Smith

A 2006.061.0003 Records	THE COURT CHEMEKETA RESIDENTIAL HISTORIC DISTRICT PAPERS In 1984 three neighbors in a downtown residential neighborhood in Salem met to discuss the possibility of nominating their neighborhood to the National Register of Historic Places. They walked the area, began to think of boundaries, and discussed the procedure of research and writing that would form the nomination document. They decided to go forward with the nomination process. The papers here donated include the two large information notebooks with a sheet for each property. On the sheet for each property is a track of the research involved including property ownership and bibliographical information on the historical owners. Some of the pages incorporate the information page from a City of Salem inventory document from the early 80s, some have a notational photograph made during the nomination process. Photocopies of obituaries, newspaper clippings and other informational documents on historic owners, are attached to each		OK	MCHS Building
